"To Share Our Love"

Makes me feel good,
Now I can see
It takes more than one to give
The life we need.

I can't think why
I never thought of this before
Now I know what it means to share
To share my love.

Can't think
Why I never thought
Of this before, now I know
What it means to me
To share, share all my love with you
To share, share all my love with you

Now I know why
I've found the answer for myself
What a day it would be to share
To share your love

Can't think
Why I never thought
Of this before, now I know
What it means to me
To share, share all my love with you
To share, share all my love with you
