(Mike Pinder)

Time quickly passes by,
If only we could tak again
someday I hope I'll see you (smiling)
When you're a free man again.

High on a mountain-side
We laughed and talked of things to come
Someway I know I'll see you shining
When we're all free men again.

You left your country,
For peace of mind,
And something tells me
You're doing alright,
How are the children
And Rosemary
I long to see you
And be in your company
Someday I hope I'll see you (smiling)
When you're a free man again.

I often wonder why
Our world has gone so far astray
Someway I know I'll see you shining
When we're aall free men again.

You gave love freely
To those with tears
You're eyes were sad when
You saw the need
You know that love lasts,
For eternity,
Let's be God's children,
And live in perfect peace.

Someway I know I'll see you shining
When you're a free man,
When we're all free men again,
Yeah....
