Your selling sexism your selling racism  
your selling anything you get your fucking hands on  
An understanding, you got a plan in a  
Presentation to advertisers who demand it  
When you plan that  
Your antennas are pointed in the right direction  
You make a deal in any situation  
So with no evacuation  
Let California fall into the fucking ocean  
Oh they talk to ya, Oh your the town man  
High profile Hollywood scum-bag

It's a done deal, signed and sealed  
Deal makers making it all happen  
When you plan that  
Your antennas are pointed in the right direction  
You make a dead in any situation  
So with no evacuation  
Let California fall into the fucking ocean  
Let California fall into the fucking ocean!  
Let California fall into the fucking ocean!  
Let California fall into the fucking ocean!!!
