Hey ho, hey ho, hey ho, hey

Well I'm a crazy upsetter  
(Driving me insane)  
Yeah, I'm a street wise professor  
(Who am I to blame?)

Now, if you listen to the record  
(Do you feel the same?)  
Well, it don't get any better  
(Going backwards again)

Whoa, swing your fists, whack stitches in the face  
Fuck ups on me, I feel sorry, I work here  
Never been like them with this society  
Life protects me feeling the finality

Now my guns are blazin'  
Bloodclot, I can see 360  
And now my guns are blazin'  
Pick it back up and start it all over again

Hey ho, hey ho

Well, I'm a bad motherfucker  
(Driving me insane)  
So don't you even bother  
(Who am I to blame?)

'Cause when I listen to the record  
(Do you feel the same?)  
And it don't get any better  
(Going backwards again)

I read your words, I read your banner of hope  
Well, I kick my way in it seems to piss you all off  
Well, I try to shut the gates the walls are fading  
I climb from the depths of hell, I'm escapin'  
[Inaudible]

Now my guns are blazin'  
Bloodclot, I can see 360

Now my guns are blazin'  
Pick it back up and start it all over again

Hey ho, hey go

Now my guns are blazin' and  
Bloodclot, I can see 360  
Now my guns are blazin'  
Pick it back up and start it all over again

Bloodclot, oh yeah  
Well, I could see 360  
I could see all around me, ah, yeah

Na na na  
(Hey ho, hey ho)  
Na na na  
(Hey ho, hey ho)  
Na na na  
(Hey ho, hey ho)

(Hey ho, hey ho)  
Well, I can see 360  
(Hey ho, hey ho)  
(Hey ho, hey ho)
