California Sun has Sunk
Behind Anaheim Hills it comes tonight
I was high on Junk
And the warm winter's ending and I feel alright

Well a crim, it hurt,
Make a bargain with the world
She starts obsessing
When you shot a little gun
I spend my day in blackness,
At night I get my vision
Doctor comes, there ain't no indecision..
Cause it's wild
Well it's wild, wild, wild, wild..

California Sun has Sunk
Behind Anaheim Hills it comes tonight
I was high on Junk
And the warm winter's ending and I feel alright

I get destructive, I start opinions
I'm no longer respected in this new transition
I put into affect, my long time sinin'
Disastrous living, disastrous living
Cause it's wild
Cause it's wild, wild, wild, wild...

California Sun has Sunk
Behind Anaheim Hills it comes tonight
I was high on Junk
And the warm winter's ending and I feel alright...

Cause its WILD!
Cause it's WILD! Wild, Wild Wiiiiilldd!
California sun has Sunk
Behind Anaheim Hills it comes tonight
I was high on Junk
And the warm winter's ending and I feel alright

California sun has Sunk
Behind Anaheim Hills it comes tonight
I was high on Junk

And the warm winter's ending and I feel alright
Yeah ALRIGHT!!
