Yeah

13 red and white stripes flying White for skin and red
for dying

Why can't I - walk on through And not feel like - one is in
hell

Why can't I - walk on through And not feel like - one is in
hell

We don't need no water let the motherfucker burn

We don't need no water let the motherfucker burn

We don't need no water let the motherfucker burn

We don't need no water let the motherfucker burn

Why can't I - walk on through And not feel like - one is in
hell

Why can't I - walk on through And not feel like - one is in
hell

13 red and white stripes flying White for skin and red
for dying

13 red and white stripes flying White for skin and red
for dying

13 red and white stripes flying White for skin and red
for dying

Whoooo for dying

Why can't I - walk on through And not feel like - one is in
hell

Why can't I - walk on through And not feel like - one is in
hell

We don't need no water let the motherfucker burn

We don't need no water let the motherfucker burn

We don't need no water let the motherfucker burn

Why can't I - walk on through And not feel like - one is in
hell

Why can't I - walk on through And not feel like - one is in
