Well all you motherfuckers, criminals will be suckers,
If you don't step aside for David Courtney,
Well, all you motherfuckers, criminals will be suckers,
If you don't step aside for David Courtney!

If you're feelin' bold,
And you must be told,
You'll feel a whack upon your back,
From a knuckleduster made of gold,
If you do the job,
Loyal to the mob,
You'll be sorted and rewarded, south of France, in the
sun
But if you pay your debt, you won't regret,
Please take me up on my advice!
Cuz vengeance will be delivered door to door,
And right on time.....

Yeah, all you motherfuckers, criminals will be suckers,
If you don't step aside for David Courtney,
Well, all you motherfuckers, criminals will be suckers,
If you don't step aside for David Courtney!

Cuban cigars,
Silver Jaguars,
Brand-new suits are filled with loot, he's looking wicked
and astute
Make no bones, he says,
Villains lend their ears,
He's a legend in the underworld, Robin Hood to the
poor,
Well, if you pay your debt, you won't regret,
Please take me up on my advice!
Because vengeance will be delivered door to door,
And right on time....

Well, all you motherfuckers, criminals will be suckers,
If you don't step aside for David Courtney,
Well, all you motherfuckers, criminals will be suckers,
If you don't step aside for David Courtney!

Tim talking: Listen up all you skaghead, sewer rats,

gangsters,
Villains and whores, the dark figures from the
shadows,
Crept up from behind, where they brandished a gun,
Pointed directly at his face,
And they shuddered at the sight when the words were
spoken,
"Go ahead, son, but you're making a big mistake,"
As the coolness of the night reflected off the
cobblestone roads,
And silence took over, he said:
"Do you know who the fuck I am?"

Yeeeeeah, all you motherfuckers, criminals will be
suckers,
If you don't step aside for David Courtney,
Well, all you motherfuckers, criminals will be suckers,
If you don't step aside for David Courtney!
