Business man come shake my hand
Show me numbers that i understand
Your my candle i'm your burning wick
Two sides comin' in quick

Say goodbye when you see me sign
Now Im crucified
Crucify Me

The ground's fertile and the grass is green
so many things are being seen
so many bands are being heard
Just for once can I be ignored

Say goodbye when you see me sign
Now Im crucified
Crucify Me

Hey man its cool I say
I'm gonna get away
No no no no reason for me to stay
But i'll come back another day
Get on the Bus and
Got no money
driver say hey that aint enough man
I say What the fuck you talkin' bout?

Say goodbye when you see me sign
Now Im Crucified
Crucify me

Business man come shake my hand
Show me numbers that i understand
Your my candle i'm your burning wick
Two sides comin' in quick

Say goodbye when you see me sign
Now Im crucified
Crucify Me

Ohhh what the people say

were caught up in the disarray
well the look on their face when we drop the bomb
haha yea tim lets play along

Crucify Me
