hey wait for me(tim's voice)....

Hey ho, let the bombs blow, let the dominoes fall I aint  
got control

Hey ho, let the bombs blow, let the dominoes fall I aint  
got control

no no no no no no nawh nawh nawh I aint got control  
no no no no no no nawh nawh nawh I aint got control

I don't control my destiny, wake me up to reality  
I just cant say lets anarchy, and their aint no telling  
whose in charge here

(Chorus)

Dead men they tell and tell  
singing while they burn in hell  
well, everybody's got something to say  
But there aint no good I can see here  
(Chorus)

Hey ho, let the bombs blow, let the dominoes fall I aint  
got control

Hey ho, let the bombs blow, let the dominoes fall I aint  
got control

no no no no no no nawh nawh nawh I aint got control  
no no no no no no nawh nawh nawh I aint got control

People going crazy, situation code red, and the whole  
worlds outta control, the walls and the fences are being  
torn down and the bodies of the murdered gettin cold  
Wild dogs goin mad smell the blood of there own kill,  
the weakest of the pack  
Nothing is the way it seems around here  
Very clear its a very deadly trap

Let the dominoes fall  
I ain't got control  
Let the dominoes fall  
I ain't got control

no no no no no no nawh nawh nawh I aint got control  
no no no no no no nawh nawh nawh I aint got control
