Never seen it come back again, 'til it dragged my heart
around

There was nothing coming in, and there was nothing to
be found

See, I don't know, if i can go, through another day like
this

America's judging it's favorite son and there ain't
nowhere (missing?)

'Cause I've seen it, 'cause i know it,
'Cause it's the end of the world tonight
'Cause I've seen it, 'cause i know it,
'Cause it's the end of the world tonight

Take it down, br-br-break it down, 'cause it ain't coming
back again

And the feeling of the rhythm drums, it sings like me
See, I don't like it, you know i ??, and the rhythm would
make you aware

'Cause this is the end and i wish it was something,
better than this

'Cause I've seen it, 'cause i know it,
'Cause it's the end of the world tonight
'Cause I've seen it, 'cause i know it,
'Cause it's the end of the world tonight

That's right!
