I'm money broke and it's no joke can't cope use the
rope this time
Knuckle up buckle up the rides getting rough but i will
not loose my mind
I asked them if i could come in and the first thing they
said was NO
If I can't come in, that means I can't come back that
means I got nowhere to go

(repeat 2x)

I'm a hyena fighting for lion share
Sometimes the lions share ain't there

Absent from political authority an animal I've become
Total disorder and confusion is the lifestyle that i run
Permit me to do what I want and I will I'm a nomad to
travel
Concrete, glass, stone and gravel.

(repeat 2x)

I'm a hyena fighting for lion share
sometimes the lions share ain't there

Every time i turn around it's the same sad story
Getting ganked I wish it could end and life's
commissary
I'm a bad missionary with a wicked message I send
Who can i trust in a world of greed
When I'm taught to take and not to give

Who can i trust when i'm taught to take and not to give

I'm money broke and it's no joke can't cope use the
rope this time
Knuckle up buckle up the rides getting rough but i will
not loose my mind
Permit me to do what I want and I will I'm a nomad to
travel
Concrete, glass, stone and gravel

See there's nothing you can say that's gonna change
my mind, fuck you!

I'm a hyena fighting for lion share
Sometimes the lions share ain't there
Sometimes the lions share ain't there... shit
