I'm money broke and it's no joke can't cut through the
rope this time (Hey !!)
knuckle up, buckle up, the ride's getting rough, but i
will not loose my mind (Hey !!)
i asked if i could come in and the first thing they said
was no (Hey !!)
if i can't come in that means i can't come back,i got
nowhere to go!!

hyena fightin for the lion's share...(right)
sometimes the lions share ain't there!
hyena fightin for the lion's share...(here we go)
sometimes the lions share ain't there...(into!) *followed
by bass solo*

absent from political authority an animal i've become
(Hey !!)
total disorder and confusion is the life style that i run
(Hey !!)
permit me to do what i want and i will cuz i'm a nomad
to travel (Hey !!)
concrete,glass,stone and gravel

[repeat 2x]
i'm a hyena fighting for lion share

sometimes the lions share ain't there

every time i turn around it's the same sad story
getting ganked i wish it could end in lifes comisary
i'm a bad missionary with a wicked message i sent
who can i trust in a world of greed
when i'm taught to take and not to give

who can i trust...when i'm taught to take an not give

I'm money broke and it's no joke can't cut through the
rope this time (Hey !!)
knuckle up, buckle up, the ride's getting rough but i will
not loose my mind (Hey !!)
permit me to do what i want and i will i'm a nomad to
travel (Hey !!)

concrete,glass, stone and gravel

i'm a hyena fighting for lion share
sometimes the lions share ain't there
sometimes the lions share ain't there.....shit
