For once in my life I've got something to say
I wanna say it now cause now is today
A love has been given to grab and enjoy
So let's all grab and let's all enjoy

If the kids are united they will never be divided
If the kids are united they will never be divided

Just take a look around you
What do you see ?
Kids with feelings like you and me
You understand him, he'll understand you
For you are him, and he is you

If the kids are united they will never be divided
If the kids are united they will never be divided

I don't want to be rejected
I don't want to be denied
Then its not my misfortune
That I've opened up your eyes
Freedom is given
Speak how you feel
I have no freedom
How do you feel
They can lie to my face
But not to my heart
If we all stand together
It will just be the start

If the kids are united then we'll never be divided
If the kids are united then we'll never be divided
