And I know I'm indestructible
And I know I'm indestructible tonight

Break down, come on and tell me its not true
It's a shakedown, come on and tell me who are you
It's so fake now, everything I see right through
I'm ashamed now to say I ever knew you

See the Great Athenians, man they're not even from
Athens
And the kid from Avenue "A", man he ain't even from
Manhattan
And nothing is what it seems so I'll just stand here
laughing
And I'm gonna keep on goin' though, I can't get
distracted

And I know I'm indestructible
And I know I'm indestructible tonight

Playback, rock and roll come and save me
It's a safe bet that you will never ever betray me
And I'll give back everything that you gave me
And I know that no one can ever ever constrain me

And I won't get bogged down like some American
consumer, nah
I'm dancing now to a whole different drummer
And I'll keep listening to the great Joe Strummer
Cause through music we can live forever
