Hey! [x4]

Come into the union district
Drive down on sharmom palms
White ghettos paint a picture
Broken homes and broken bones
I was so full of scotch i could not stand up
I was hittin the shots and i moved to a cup
Release me from moral assumption
Total rejection total destruction
Nihilistic feelings are moving
If you try real hard you'll see right through them

Nihilism! [x4]

Come into the union district
Drive down on sharmom palms
White ghettos paint a picture
Broken homes and broken bones
Walkin a path of self destruction
Not affected by the repercussions
Lady on the billboard offer me a drink
Said not right now i need time to think
Nihilistic feelins are movin
If i try real hard
I'll see right through them

Nihilism! [x4]

[background] nihilism [x6]
I was so full of scotch i could not stand up
I was hittin the shots and i moved to a cup
Come into the union district
Drive down on sharmom palms
White ghettos paint a picture
Broken homes and broken bones
