Echoes of reggae comin' through my bedroom wall
havin' a party up next door but i'm sittin here all alone
two lovers in the bedroom and the other starts to shout
all i got is this blank stare and that don't carry no clout
at all

destination unknown
ruby ruby ruby ruby soho

he's singin and she's there to lend a hand
he's seen his name on the marquee but she will never
understand
once again he's leavin' and she's there with a tear in
her eye
embraces with a warm gesture it's time, time to say
goodbye
ruby's heart ain't beatin cause she knows the feelin' is
gone
she's not the only one who knew there's somethin'
wrong
little lover's in the distance as she wipes a tear from
her eye
ruby's fading out, she disappears, it's time, time to say
goodbye
