Nobody knows where anybody goes  
But where she got it, I know she'll go  
You can't chase it, you bought her all that  
But I never knew she acts like that

I don't care, I don't care  
There's nothing below and there's nothing up here  
I don't care, I don't care  
There's nothing below and there's nothing up here

Sabrina, Sabrina, Sabrina

Another rainy night, she missed the flight  
Eighteen chapters she'll need to write  
Another day of living, she goes to confession  
I know the Catholic girl was sinning  
I don't care, I don't care  
There's nothing below and there's nothing up here  
I don't care, I don't care  
There's nothing below and there's nothing up here

Sabrina, Sabrina, Sabrina

Sabrina, Sabrina, Sabrina

Sabrina, Sabrina, Sabrina
