There's something in the street tonight
Don't know what it is but it won't keep quiet
Breaking through your masses
On your radio broadcaster

There's something in the air tonight
And it's turning in to a full fledge riot
Seen a boy's last dance
Someone tried to buy him the truth

Oh, oh, oh, oh, oh, nine lives
I'm gonna come right back for you
Oh, oh, oh, oh, oh, nine lives
I'm gonna come right back for you

There's something in the world today
I don't know what it is
But it sure smells rotten
Babylon's burning and the fire seems waterproof

There's someone in your home tonight
You think you know who they are
But something just ain't so right, I look at them
A way but they don't feel the same about me

Oh, oh, oh, oh, oh, nine lives
I'm gonna come right back for you
Oh, oh, oh, oh, oh, nine lives
I'm gonna come right back for you

And I run and I run and I ride and I ride
And I knew that I knew that I tried and tried
And I know it was all for you and me

And I run and I run and I ride and I ride
And I knew that I knew that I tried and tried
And I know it was all for you and me

And I run and I run and I ride and I ride
And I knew that I knew that I tried and tried
And I know it was all for you and me

And I run and I run and I ride and I ride
And I knew that I knew that I tried and tried
And I know it was all for you and me
