Stranger than fiction
I heard the mouth of the young girl say.
Stranger than fiction
Wakin up everyday.
Off to Atlanta
By the way of the Great Divide.
Back to California
Seattle if we got the time.
Great Wall of China
Will the end I reach one day?
Stranger than fiction
I heard the Chairman Mao say.

Stranger than fiction
I heard the mouth of the young girl say.
Stranger than fiction
Wakin up everyday.
Two days to Boseman
Enough truckers, they don't make time fly.
I ain't opposin'
We'll be in Austin in half the time.
Keep your hands and toes in
Doin 90 the entire way.
Stranger than fiction
To (?) as I drove away.

Stranger than fiction
I heard the mouth of the young girl say.
Stranger than fiction
Wakin up everyday.
Stranger than fiction
I heard the mouth of the young girl say.
Stranger than fiction
Wakin up everyday.

Stranger than fiction
I heard the mouth of the young girl say.
Stranger than fiction
Wakin up everyday.
Las Vegas, Nevada
Ain't no place we outta be.
When your luck is golden

You're the center of gravity.
Shit or Shinola
(?)
Stranger than fiction
It's just the way it will always be.
