Well, they tell me there's a pie up in the sky  
Waiting for me when I die  
But between the day you're born and when you die  
No one ever seems to hear you cry  
But as sure as the sun will shine  
I'm gonna get my share of what's mine  
And then the harder they come  
The harder they fall, one and all (Ohh, ohh, ohh)  
I said the harder they come  
Harder they fall, one and all  
I said the oppressors are trying to keep me down  
Trying to drive me underground  
But they think they're gonna have the battle won  
I say forgive them Lord, they know not what they've  
done  
But as sure as the sun will shine  
I'm gonna get my share of what's mine  
I said the harder they come  
The harder they fall, one and all (Ohh, ohh, ohh)  
I said the harder they come  
Harder they fall, one and all (Yeah, yeah, yeah)  
Break it down!  
Well, I try to do the things that I want  
Cause when you're dead, you know that you can't  
I'd rather be a free man in my grave  
Than living as a puppet or a slave  
So as sure as the sun will shine  
I'm gonna get my share right of what's mine  
And then the harder they come  
The harder they fall, one and all (Ohh, ohh, ohh)  
Ooh, the harder they come  
Harder they fall, one and all (Yeah, yeah, yeah)  
I said the harder they come  
The harder they fall, one and all (Yeah, yeah-ah-ah)  
I said the harder they come  
The harder they fall, one and all  
Break it down!
