1. When walking by the sea, come and follow me, Jesus called
Then all through Galilee, the sick and the diseased, He healed them all
Jesus hasn't changed, His power is still the same, as when He walked the shore
This man of Galilee is still the healing Jesus, now and ever more

Chorus

What a healing Jesus, I found in you
What a healing Jesus, you restore, refresh and renew
You're my healing Jesus, for such a time as this
Arise on healing wings, Son of righteousness

2. The spirit of the Lord now is upon me, anointing me
To heal the broken hearts, open prison doors, set captives free
To comfort those that mourn and fill their lips with praise, to pour the oil of joy
That they may be called the trees of righteousness, the planting of the Lord

Chorus x 2
