(GUITAR SOLO INTRO)

would you believe I was down on my knees and so tired

I don't know how long but now the flame is so strong in
the fire
funny as it may seem

I was livin' in a rock n' roll dream

gettin' higher, gettin' higher

yeah higher, yeah higher, yeah
a woman I know had the depth in her soul to conspire

to walk in my road and try to get me to go and stand by
her
funny as it may seem

livin' in a rock n' roll dream

gettin' higher, gettin' higher
I always knew people who slept with their life

while I was out playing in fields of the knights

sometimes the wrongest of feelings seems right
(SAX SOLO)
yeah higher, yeah higher, yeah

gettin' higher

yeah higher, yeah higher, yeah

gettin' higher

(SAX & GUITAR STUFF)
yeah higher, yeah higher, yeah

gettin' higher

yeah higher, yeah higher, yeah

gettin' higher
