Unless you give me your sunny smile

Unless you make living worth the while

Unless you will be so tender to me

Then life will be just empty time

Unless my absence can make you sad

Unless my presence can make you glad

Then there'll never be contentment for me

Unless your heart is mine

Give me your sunny smile

Make living worth the while

Unless you will be so tender to me

Then life will be just empty time

Unless my absence can make you sad

Unless my presence can make you glad

Then there'll never be contentment for me

Unless your heart is mine, all mine
