Loneliness is a pow'r that we possess to give or take  
away forever.  
All I know can be shown by your acceptance of the fact  
there shown before you.  
Take what I say in a diff'rent way and it's easy to see  
that this is all confusion.  
As I see a new day in me, I can also show if you and  
you may follow.

Speak to me of summer, long winters longer than time  
can remember,  
Setting up of other roads, travel on in old accustomed  
ways.  
I still remember the talks by the water, the proud sons  
and daughters that,  
In the knowledge of the land, spoke to me in sweet  
accustomed ways.
