You are the peace that guards my heart
My help in time of need
You are the hope that leads me on
And brings me to my knees
For there I find You waiting
And there I find relief
So with all my heart I'll worship
And unto You I'll sing

Chorus

For You alone deserve all glory
For You alone deserve all praise
Father we worship and adore You
Father we long to see Your face
For You alone deserve all glory
For You alone deserve all praise
Father we love You
And we worship You this day

You are the peace that guards my heart
My help in time of need
You are the hope that leads me on
And brings me to my knees
For there I find You waiting
And there I find relief
So with all my heart I'll worship
And unto You I'll sing» ¿

Chorus

For You alone deserve all glory
For You alone deserve all praise
Father we worship and adore You
Father we long to see Your face
For You alone deserve all glory
For You alone deserve all praise

Father we love You
And we worship You this day
(Repeat X1)

Father we love You
And we worship You this day
Father we love You
And we worship You this day

Oh yes, Lord, we love You
You are so Holy, You are my King
