I know that I can't keep her  
Now she's in love with you  
But I just wanna say  
I won't be far away  
So don't make my baby blue  
\*I know your reputation  
They say you can't be true  
So I'll be standing by  
And you just better try  
Not to make my baby blue  
\*\*My little girl, she's always been an angel  
And it hurts me so bad to set her free  
You better take good care of her  
She still means all the world to me  
You know she does  
\*\*\*I'm gonna step aside now  
Just like she wants me to  
But even though I'm gone  
I'll still be looking on  
You better not make my baby blue  
She's been a good baby  
....  
(\*repeat)  
(\*\*repeat)  
(\*\*\*repeat)  
You better try your best  
Don't make my baby blue  
Blue
