Well you should see my story-reading baby, you should  
hear things that she says  
She says "Hon, drop dead, I'd rather go to bed with  
Gabriel Garcia Marquez"  
Cuddle up with William S. Burroughs, leave on the light  
for bell hooks  
I been flirtin' with Pierre Burton 'cause he's so smart in  
his books  
I like to go out dancing  
My baby loves a bunch of authors  
My heart's so broke and bleedin'  
Baby's just sittin' there doin' some readin'  
So I started watching some TV, played my new CD  
player too  
She said "Turn it off or I'll call the cops, and I'll throw  
the book at you"  
All this arguing made me get dizzy, called my doctor to  
came have a look  
I said "Doctor, hurry!" She said: "Don't worry, I'll be  
over when I finish  
my book"  
I like to go out dancing  
My baby loves a bunch of authors  
We've been livin' in hovels  
Spendin' all our money on brand new novels  
So I got myself on the streetcar and it drove right into  
someone  
The driver said: "I was looking straight ahead!" but he  
was reading the  
Toronto Sun  
So my honey and me go to a counsellor to help figure  
out what we need  
She said: "We'll get your love growin', but before we  
get goin' here's some  
books I'd like you to read"  
I like to go out dancing  
My baby loves a bunch of authors  
Lately we've had some friction  
'Cause my baby's hooked on short works of fiction  
So we split and went to a party, some friends my girl  
said she knew

But what a sight 'cause it's authors night and the place  
looks like a who's who  
Now I'm poundin' the Ouzo - with Mario Puzo  
Who's a funny fella? - W.P. Kinsella  
Who brought the cat? - would Margaret Atwood?  
Who needs a shave? - he's Robertson Davies!  
Ondartje started a food fight, salmon mousse all over  
the scene  
Spilled some dressing on Doris Lessing these writer  
types are a scream!  
I like to go out dancing  
My baby loves a bunch of authors  
We'll be together for ages  
Eatin' and sleepin' and turnin' pages
