Backstreet love
that's always undercover
and i talk to my daddy say
said you ain't seen nothing
till you're down on a muffin
and you sure to be achaning ways

I met a cheerleader
that's a real big bleeder
of times i could reminisce
and the best things in loving
with a sister and a cousin
and start with a little kiss

She Told me to
walk this way and talk this way or
walk this way and talk this way

See saw swining
with the boys in school
and you feet were flying up in the air
I'm singin hey diddle diddle
with your kitty in the middle
and you're swining like you just don't care

So i took a big chance
at the high school dance
with a Miss who was ready to play
was it me she was fooling
'cause she knew what she was doing when

She told me to
walk this way and talk this way or
walk this way and talk this and talk this
walk this way and talk this way or
walk this way and talk this way
