i never wanted you to be a sailors girl,
to be a truckers wife, to be left behind
you should know, you should know that im thinking of
you
up and down that pikeway up and down like a serial
killer

like a smuggler, like a trucker
drinking while you should be sleeping,
sleeping while you should be waking up
never hung over, either wide awake or way too drunk

the only thing, only thing i ever wanted is gonna fuck
you over
its gonna fuck us up, the only thing that i ever wanted

i never wanted you [i never wanted you]
to be a sailors girl [to be a sailors girl]
to be a truckers wife [to be a truckers wife]
to be left behind [to be left behind]

you should know, you should know that im thinking of
you
up and down that drive like a serial killer
like a smuggler, like a trucker
drinking while you should be sleeping
sleeping while you should be waking up [should be
waking up]

the only thing, only thing i ever wanted is gonna fuck
you over
its gonna fuck us up

i never wanted you [i never wanted you]
to be a sailors girl [to be a sailors girl]
to be a truckers wife [to be a truckers wife]
to be left, to be left behind

and i wonder if youll be there when i get back
or will you leave me like i left you over and over and
over

i never wanted you to be left behind, to be left behind

i never wanted you to be a sailors girl, to be a truckers
wife
to be left behind

and i wonder, i wonder if youll be there when i get back
or will you leave me like i left you, like i left you over
and over
like i left you over and over, over and over, over and
over, over and over
