Friday is the 13th to 24th, It's not so long to go, though
my face don't show
My temperature it's gettin' too low, I've seen it all in a
dream, I know just how it's gonna feel
Like not to be alive anymore I'll be dead by X'mas now
anyway, Tell me will you remember me that day
When you've found a new one, Who's better than I ever
was
I'll be dead by X'mas now anyway, Please give all my
things away
They'll make great X'mas presents for you, And for all
my friends
It hurts so inside, To see you with another, From the
edge of a cloud
Whatever happened to the promises that you gave,
Before the angels took me away, So here I'm all
dressed in white
While you're drinking up my best red wine, And you
don't realize that I'm with you all the time
It's getting so lonely without you, And I'm sure I am
jealous too, To see another man in my bed
Be sure I can't get no rest, Before you're up there with
me, Come up, come up, come up, come up
I've been dead since X'mas now anyway, So leave the
flowers on my grave, there's sure a way you could join
me any day around now honey
You'll be dead by X'mas now anyway, you'll Lay beside
me in our family grave, We'll be making love eternally,
In a spiritual way
We'll be dead by X'mas now anyway We'll sell
everything away...
Dead by X'mas, dead and gone, X'mas is forever we
got a life to live, a life after death....
