(Intro)

It's a story of left and right hand

It's a story of love and hate

It's a story of left and right hand

It's a story of love and hate

(Verse)

Well he's a cool one Ben Harper

Hangin' from a dead mans rope

And here's the story

The story two men wrote

Two men wrote

Two men wrote

(Chorus)

It's a world on night for pearl and john

It's a world of night when you're daddy's gone

When ever around you were so weak

You had to be so strong

(This part)

In the night

In the night of the hunter

In the night

In the night of the hunter

(Verse)

Little good you are to your family

Hangin' from a dead man's rope

Now here's the story

The story two children wrote

Two children

Two children

Two children

(Ending)

In the night

In the night of the hunter

In the night

In the night of the hunter

In the night

In the night of the hunter

In the night

In the night of the hunter

Stronger than your Uncle Burny

Stronger than Willa ever was

Strong as the shadows are long
Strong as the shadows are long
