I don't know what's so proud about  
I'd rather make it as a drop out  
In fact i'd rather get kicked out  
Or even thrown out  
My heros have always been flunkies and drunk  
And telling lies  
My heros have always been flunkies and their drunks  
And their telling lies  
that's righ'  
If you wonder where i'm at  
I'll be down by the railroad tracks  
If you wonder when i'm comin' back  
Don't wonder  
I'm never comin' back  
Never coming back  
Never coming back  
I'll make it on my own  
And my heros have always been drunkies  
I don't know what you're so proud about  
I'd rather make it as a drop out  
I'd rather get kicked out  
Or even thrown out  
That's righ'  
If you were offended when i dropped out  
Well maybe you should be  
Maybe you should be  
If you wonder where i'm at  
I'll be down by the railroad tracks  
If you wonder when i'm comin' back  
I'm never comin' back  
I'm never comin' back  
I'll make it on my own  
I don't know what you're so proud about  
I'd rather make it as a drop out  
I don't know what you're so proud about  
I'd rather make it as a drop out  
And my heros have always been drunkies  
And their telling lies  
And their telling lies
