This sounds like a riot looks
Had some pills don't know which ones i took
Been up all night
Night been up drinking all night
The boys sound good
Oh, oh, they sound good
They sound
They sound like a riot looks
A riot looks
Been up all night
Been up all night
This sounds like a riot looks
Had some pills don't know which ones i took
Been up all night
Been up drinking all night
The boys sound good
The boys sound good
They sound
They sound
Just like a riot looks
Like a riot looks
Don't touch anything
Unless you can make it sound this good
Like a riot looks
