Come back, baby, 'cause I'm all alone  
Come back, baby, 'cause I wanna love you tonight

Well, I can't seem to make you mine  
Kissin' around all the time  
You fly around like a bee  
Hurting everything you see

Well, I tried everything I know  
To make you want to love me so  
The only thing you do  
Is you try to put the hurt on me

Well, can't you see  
What you're doing to me  
You fill my heart with misery  
With every breath and step I take  
I'm more in love with you

Come back baby  
And I'll give you my love  
Both night and day  
Come back baby  
'Cause I wanna love you, tonight

I can't go on like this  
A little bit of love and not one kiss  
I got to have your love everyday  
Love that's for real and will stay

I can't seem to make you mine  
I can't seem to make you mine  
I can't seem to make you mine  
I can't seem to make you mine, oh

I can't seem to make you mine  
I can't seem to make you mine  
Well, come back, baby to me  
And end my misery, oh
