Had some friends that went across the sea  
Came back with a nickel for me  
They said, "There's a place where they still know  
There's a place where they still know how to rock'n'roll  
How to rock'n'roll."

They said, "Tokyo."  
They said, "Tokyo."  
T-O-K-Y-O  
T-O-K-Y-O  
There's a place where they still know  
How to rock  
How to rock'n'roll  
How to rock'n'roll  
I'm talking Tokyo gold!  
I'm talking Tokyo gold!  
I'm talking R-O-C-K  
I'm talking R-O-L-L  
I'm talking rock'n'roll.  
Owww!

I'm talking Tokyo  
I'm talking Tokyo  
I'm talking Tokyo, Tokyo gold  
I'm talking T-O  
I'm talking T-O-K-Y-O  
I'm talking R-O-C-K R-O-L-L  
I'm talking Tokyo rock'n'roll  
I'm talking Tokyo gold  
I'm talking Tokyo gold.

I've been all over this country  
And I've seen a lot of faces  
I seen a lot of people  
Forgot  
What it really means  
They don't know  
Don't know what it really means  
to R-O-C-K R-O-L-L  
I'm talking rock'n'roll  
But there's a place

There's a place where they still know

T-O-K-Y-O

T-O-K-Y-O

Said I'm going to go

I said I've got to go

I gotta go where they still know

I gotta go where they still know

What it means to rock

What it means to rock and roll!
