They say he was a spoiled and rotten kid  
Because his parents had some money  
They looked down on everything that he did  
And said that he acted kind of funny

They say he was confused and mentally abused  
Just because he was a rich kid  
And all the girls in class, always kicked his ass  
And looked down on everything that he did

When he is old, he will own the world  
(Just a rich boy)  
When he grew up, he got what he deserved

Just a rich boy, rich boy, rich boy  
Rich boy, rich boy, rich boy  
Just a rich boy, rich boy, rich boy

Brace yourself now, won't you mister?  
Rich boy got a little sister

She was spoiled, self centered girl  
With daddy's money, in daddy's world  
He called her sweetheart and he called her honey  
Showered her with gifts and money

Still she's a problem child, she always been too wild  
She always hangs out with the riff raff  
She was always sad and down, depressed  
And mad and you will never see her laugh

'Cos she's a rich girl, rich girl, rich girl  
Rich girl, rich girl, rich girl  
Just a rich girl, rich girl, rich girl

Listen up now, won't you mother?  
Rich girl got an older brother

Rich, rich boy, rich, rich boy, rich girl  
Rich, rich boy, rich, rich girl, rich, rich girl, rich boy  
Rich, rich girl, rich, rich boy, rich, rich boy, rich girl  
Rich, rich boy, rich, rich girl, rich, rich girl, rich boy

Rich, rich girl
