I played some Little Richard songs on my stereo  
'Tutti Frutti and Ooh, My Soul'  
He sang so wild and he sang so frantic  
He's the father of rock 'n' roll

Human atom bomb, atom bomb  
The human atom bomb  
Human atom bomb, atom bomb  
The human atom bomb, yeah

Played some Little Richard songs on my stereo  
'Bama lama baby Bama loo  
I need love, I need love  
Sweet little baby do you need love too?

Human atom bomb, atom bomb  
The human atom bomb  
Human atom bomb, atom bomb  
The human atom bomb, 2 3 4

Bomb, atom bomb  
Bomb, atom bomb

He was born in Macon Georgia back in 1932  
Bomb, atom bomb  
To get his teenage kicks he knew just what to do  
Bomb, atom bomb

He learned to play the piano wrote the worlds first rock  
'n' roll songs  
Bomb, atom bomb  
He had his roots in gospel music and nothing could go  
wrong  
Atom bomb, atom bomb  
Could go wrong, no nothing could go wrong  
Sweeter baby, ooh my soul

Human atom bomb, atom bomb, atom bomb, atom  
bomb  
The human atom bomb  
Human atom bomb, atom bomb, atom bomb, atom  
bomb

The human atom bomb, yeah  
Oh yeah, yeah, yeah
