I wanna know a little 'bout your heart, mister  
Is it on your right side or on your left?  
Do you believe in equality or do you believe in theft?

Whose side are you on? Tell me now  
Whose side are you on? Speak up  
Whose side are you on?  
Do you believe in solidarity or do you believe in theft?

When it comes to choice of colors, brother  
Is it gonna be red or black or blue?  
I ain't gonna wave no white flag 'til I get th-th-through  
to you

Whose side are you on?  
Whose side are you on?  
Whose side are you on?  
I ain't gonna wave no white flag baby, 'til I get through  
to you
