You may see me when i'm on the run  
You may see me when i'm all undone  
You may see me smoking a cigarette  
You may see me and try to forget  
But you won't forget

You got the eyes to look for what you saw  
And when you don't win or lose i guess you draw  
I had to leave i guess you had to stay  
Don't come looking babe  
'cause if you look too hard  
I might just look away

You may see me but you never know  
You may see me in ohio

You got the eyes to look for what you saw  
And when you don't win or lose i guess you draw  
I had to leave i guess you had to stay  
Don't come looking babe  
'cause if you look too hard  
I might just look away

Don't come looking babe  
Don't come looking babe  
Cause if you look too hard  
You'll find me in the wrong place

You got the eyes to look for what you saw  
And when you don't win or lose i guess you draw  
I had to leave i guess you had to stay  
Don't come looking babe  
'cause if you look too hard  
I might just look away

You may see me when i ain't got a thing
