I can see this with no hesitation baby
I ain't never met nobody like you
I want you, and the girl that came before don't
compare
Ain't nobody else make me feel like you do
I want you
Uh you turn me on I swear everytime you gone
I can't wait for the next time you come through
I want you
And when it come to sex girl
You know that you're the best
I wouldn't say it if it wasn't true

[Chorus]

Now I promise you this, that from now on till forever
I'll be holdin on this, girl it ain't no bullshit
And I swear this much is true, yeah
I ain't never wanting no girl as bad as I want you

I fuck with you cause you sexy and you on it
Plus I love the fact that you know what you want
I want you
I need a woman and less in get no girls
You're the sexiest, because you're Å...
I want you
Are you ready now? You gonn ride it down
And for the chicks on the side they be runnin they
mouth
Why even try? I want you
Let em talk all they want to, yeah all they want to
Cause what I'm gonn do, is stay by your side

[Chorus]

Now I promise you this, that from now on till forever
I'll be holdin on this, girl it ain't no bullshit
And I swear this much is true, yeah
I ain't never wanting no girl as bad as I want you

Ain't never really wanting, never wanting
I want you
Never wanting a girl as bad as

I want you
Never wanting, never wanting
I ain't never wanting no girl as bad as I want you

This forever, this forever, this forever
This forever, this forever, this forever girl
I want
Long as we're together, we're together, we're
together
It will be me and you against the world
I want
Want this this forever, this forever, this forever
This forever, this forever, this forever girl
I want
Long as we're together, we're together, we're
together
It will be me and you against the world
I promise

[Chorus] x 2
Now I promise you this, that from now on till forever
I'll be holdin on this, girl it ain't no bullshit
And I swear this much is true, yeah
I ain't never wanting no girl as bad as I want you
