He Reminds me
Of someone I once knew long ago
He reminds me
I don't know just how far I should go

Should I keep my distance
And haul myself away?
Or try and get a little closer
And blow my chance away?

He reminds me
Just a simple smile
He reminds me
My thoughts look back in time for a while

Am I being foolish
Just clinging to the past?
Or could it be that finally
I found my love at last?

Chorus

Whoa all I know
Is my heart says so
And I'm inclined to believe
All I know
Is my heart says so
And I find I believe

He reminds me
Of all the things I dreamed of since then
He reminds me
Of all the pain we've had way back then

Surely now it's different
I'm older than before
Could it be that time has healed
Oh, how can I be sure? (How can I?)

Chorus

All I know
Is my heart says so
And I'm inclined to believe
All I know
Is my heart says so
And I find that I believe
He Reminds me

{Bridge}

Should I keep my distance
And haul myself away?
Try and get a little closer
And blow my chance away?

Chorus

Whoa all I know
Is my heart says so
And I'm inclined to believe
All I know
Is my heart says so
And I find that I believe

He reminds me
Oh, he reminds me
And I find I believe
He reminds me...
