I stand accused
Of loving you too much
I hope, I sure hope it's not a crime
Cos I'm guilty

I sure hope that I
Will never have to testify
Because if I do
Everyone is gonna cry
Hey, that girl is guilty of loving you

Though you belong to another
I may not stand a ghost of a chance
But I will tell the world how much I love you
And I'm a victim of circumstance
That's been proven

Although your heart belongs to another
And right now I don't stand a ghost of a chance
But I sill stand up and tell the world how much I love
you
And I'm a victim of circumstance
That's been proven guilty

I'm guilty, yes I am
I'm guilty, what can I do?
I'm guilty, I am guilty of loving you
