Say I'm crazy  
Cause I have to have you  
Say I'm dreaming  
Cause I wanna see this through  
Say there's no meaning to life  
If I'm not with you  
My love, my only love  
Cause it's you  
Who will always be my first love  
It's you  
Who first showed me who I really was  
In you  
My soul has found the one I'm searching for  
It's true, I adore you  
Ref.:  
Our love is like a merry go round  
Sometimes it's up  
Sometimes it's down  
Like the sun and the rain  
Even good loves bound to change  
Boy you should know  
Cause the love we have we shouldn't let go  
Now you can walk away  
Go on without me  
Or you can try to stay  
And make this easy  
Though it's hard  
If you really wanna be alone  
It's okay, okay  
Ref.  
It's clear to see  
Your heart belongs to me  
And always get by  
With you in my life  
Don't you ever leave
