I play the streetlife, because there's no place I can go
Streetlife Â– it's the only life I know
Streetlife Â– and there's a thousand parts to play
Streetlife Â– until you play your life away

You let the people see, just who you wanna be
And every night you shine, just like a super star
That's how the life is played a ten cent masquerade
You dress, you walk, you talk
You're who you think you are

Streetlife Â– you can run away from time
Streetlife Â– for a nickel or a dime
Streetlife Â– but you better not get old
Streetlife Â– or you're gonna feel the cold

There's always love for sale a grown-up fairytale
Prince charming always smiles behind a silver spoon
And if you keep it young your song is always sung
Your love will pay your way beneath the silver moon

Streetlife Â– Streetlife
Streetlife - Streetlife

I play the streetlife, because there's no place I can go
Streetlife Â– it's the only life I know
Streetlife Â– and there's a thousand parts to play
Streetlife Â– until you play your life away - ooh

Streetlife - Streetlife
Streetlife - Streetlife
