I think its best we don't get close to each other
Closer the love thats the stronger the hurt
even though my heart has been broken in two
It's coming together just being with you.

Chorus

Emotionally weak by the hour
Tasting the sweet and not the sour
This Ole heart of mine
Acting like a fool for love
This ole heart of mine
Just can't seem to hurt enough

I tried to hide my feelings of regrets
Inside is lonely and its hard to forget
What it feels like to be in love with someone
And have that someone special loving you too.

Chorus

Emotionally weak by the hour
Tasting the sweet and not the sour
This Ole heart of mine
Acting like a fool for love
This ole heart of mine
Just can't seem to hurt enough

Pause (na, na, naah, na, na naah...)

Chorus

I'm just emotionally weak by the hour (yes I am)
Tasting the sweet and not the sour
This Ole heart of mine
Acting like a fool for love
This ole heart of mine
Just can't seem to hurt enough

Just like a fool I stood in the way too long
Red signals flashing, dangers love zone
I was already blinded by the light
Falling deeper and losing my sight.

Chorus

I'm just emotionally weak by the hour (I am getting weaker)

Tasting the sweet and not the sour

This Ole heart of mine

Acting like a fool for love

This ole heart of mine (oooh)

Just can't seem to hurt enough
