Who's Crying Now
Well, Well, Well
It's been a mystery
And still they try to see
Why something good can hurt so bad
Caught on a one way street
The taste of bitter sweet
Love will survive some how, some way
One love feeds the fire
One heart burns desire
(Wonder who's crying now) And I wonder who's crying
now
Two hearts born to run
(Who'll be the lonely one) Who'll be the lonely one
(Wonder who's crying now) Yes I wonder who's crying
now
So many stormy nights
So many wrong or rights
Neither could change their head strong ways
In a lovers rage they turn another page
Fighting is worth the love they save
One love feeds the fire
One heart burns desire
(Wonder who's crying now) And I wonder who's crying
now
Two hearts born to run
(Who'll be the lonely one) Who'll be the lonely one
(Wonder who's crying now) Yes I wonder who's crying
now
There is so many tears you can cry (so many tears you
can cry)
Till the heart ache is over
And now you can save....your love
You'll never die
One love feeds the fire
One heart burns desire
(Wonder who's crying now) And I wonder who's crying
now
Two hearts born to run
(Who'll be the lonely one) Who'll be the lonely one
(Wonder who's crying now) Yes I wonder who's crying
now
