I'm wishing on a star  
To follow where you are  
I'm wishing on a dream  
To follow what it means

I'm wishin' on a star  
To follow where you are  
I'm wishing on a dream  
To follow what it means

And I wish on all the rainbows that I see  
I wish on all the people who really dream  
And I'm wishin' on tomorrow praying he will come  
And I'm wishing on all the loving we've ever done

I never thought I'd see  
A time when you would be  
So far away from home  
So far away from me

Just think of all the moments that we've spent  
I just can't let you go for me, you were meant  
And I didn't mean to hurt you but I know  
That in the game of love, you reap what you sow

I feel it's time we should make up, baby  
I feel it's time for us to get back together  
Make the best of things  
Oh baby, when we're together

I feel it's time we should make up, baby  
I feel it's time for us to get back together  
And make the best of things  
Oh baby, when we're together forever and ever, never

I'm wishing on a star  
To follow where you are  
I'm wishin' on a dream  
To follow what it means

And I wish on all the rainbows that I see

And I wish on all the people we've ever been  
And I'm hoping on all the days to come and to go  
And I'm hoping on all days of lovin' you so

I'm wishing on a star  
To follow where you are  
I'm wishin' on a dream  
To follow what it means

And I wish on all the rainbows that I see  
And I wish on all the people we've ever been  
And I'm hoping on all the days to come and to go  
And I'm hoping on all days of loving you so

Wishin' on a star  
Follow where you are, yes I am  
I'm wishin' on a star  
Follow where you are

I'm wishin'  
I'm wishin'  
I'm wishin'  
I'm wishin' on a star, yeah

Yeah, I'm wishin'  
I'm wishin' on the people who really dream  
I'm wishin'  
Wishin' on a star  
To follow where you are
