When the day becomes the night  
You know that I think of you  
And I cannot control my heart  
It's crying for you  
Loneliness is killing me  
I'm helpless without your love  
Knowing when you touch someone  
I can't understandâ€¦

Now it's tearing me apart  
I want you back  
And it's made me realize  
Just what I had

Love is blind it's true  
Nobody is like you  
My endless melody  
I play for me and you  
Love is blind it's true  
I'm on my knees for you  
I'd give it all I can  
To have you back again  
Love is blind

I just can't believe you're gone  
And I let it slip away  
I can't believe I was the one  
Who caused you pain  
You should know deep down inside  
She didn't mean a thing to me  
What can I do to win back your heart  
And make you stayâ€¦

I can't believe, can't believe you're gone  
I can't believe...

Love is blind it's true  
Nobody is like you  
My endless melody  
I play for me and you  
Love is blind it's true  
I'm on my knees for you  
'Cos I'd give it all I can  
To have you back again  
Love is blind  
  
Love is blind
