(No one's gonna, no one's gonna)
(No one's gonna, no one's gonna believe)

Running fast, running fast, fast as you can
(No one's gonna, no one's gonna)
Playing games, it's a shame I, I'm your man
(No one's gonna, no one's gonna believe)
Can't you see, I'm so close, I'm everywhere
(No one's gonna, no one's gonna)
(No one's gonna, no one's gonna believe)

Watch your back, 'cause you never, never know
(No one's gonna, no one's gonna)
What is past, what is stumbling after you
(No one's gonna, no one's gonna believe)
That's a fact, what you give you do get back
(No one's gonna, no one's gonna)
(No one's gonna), 'cause no one's gonna believe

You're coming back, then you were good
Say what you want, no one's gonna believe
Make every man, cry like a girl
That's what you want, no one's gonna believe

You're coming back, then you were good
Say what you want, no one's gonna believe
Make every man, cry like a girl, whoa
That's what you want, no one's gonna believe

I don't know what you're using as a pose
(No one's gonna, no one's gonna)
More and more you don't give me any choice
(No one's gonna, no one's gonna believe)
With that noise I will make you beg for mercy
(No one's gonna, no one's gonna)
(No one's gonna, no one's gonna believe)

What is pain? Well I guess you never felt
(No one's gonna, no one's gonna)
What I did when you let me go insane
(No one's gonna, no one's gonna believe)
Without fools, it's the end, end of the game
(No one's gonna, no one's gonna)
(No one's gonna), 'cause no one's gonna believe

You're coming back, then you were good
Say what you want, no one's gonna believe
Make every man, cry like a girl
That's what you want, no one's gonna believe

You're coming back, then you were good
Say what you want, no one's gonna believe
Make every man, cry like a girl, whoa
That's what you want, no one's gonna believe

She made me a fool who believe in love
For the first time (for the first time)
I was wearing a gift anything you need

'Cause no one's gonna believe
You're coming back, then you were good
Say what you want, no one's gonna believe
Make every man, cry like a girl
That's what you want, no one's gonna believe

You're coming back, then you were good
Say what you want, no one's gonna believe
Make every man, cry like a girl, whoa
That's what you want, no one's gonna believe
