I can't stand the reason you live  
Baby, I just can't let you go  
Everytime you make me feel bad  
Baby, I just can't  
Deny my love to you that I breath  
I know you find your way without me

Yes or no, yes or no, you better tell me so  
Yes or no, yes or no, or should i let you go  
Yes or no, yes or no, you better tell me so  
Yes or no, yes or no

Every struggle we've been facing  
Baby, I just can't let you go  
Look at you, you made it so well  
Baby I just can't  
Deny my love to you that I breath  
I know you find your way without me

Yes or no, yes or no, you better tell me so  
Yes or no, yes or no, or should i let you go  
Yes or no, yes or no, you better tell me so  
Yes or no

Yes or no, yes or no, you better tell me so  
Yes or no, yes or no, or should i let you go  
Yes or no, yes or no, you better tell me so  
Yes or no, yes or no

Yes or no, yes or no  
Yes or no, yes or no

Strange to say but I love you now even more  
No the same will be never like before  
Every part of my body wants you so bad  
But my heart wants to know why you'd be there

Yes or no, yes or no, you better tell me so  
Yes or no, yes or no, or should i let you go  
Yes or no, yes or no, you better tell me so  
Yes or no

Yes or no, yes or no, you better tell me so  
Yes or no, yes or no, or should i let you go  
Yes or no, yes or no, you better tell me so  
Yes or no, yes or no
